To Our Valued Customers:

Earlier this year we raised our Canadian prices due to the strength of the US dollar. We did not pass on an increase on our stock boxes at that time.

In addition, we have been affected by incremental cost increases from many of our suppliers of materials and services. While it is always our goal to control these costs, at this time, we find it necessary to increase some of our prices.

Therefore effective October 1, 2014 we will implement the following:

Stock Boxes	7%
Polyurethane	7%
Polyethylene	5%

Your business is truly valued and we appreciate the opportunity to be your packaging supplier. Should you have any questions, please feel free to contact me at (253) 735-0100 or your sales representative.

Sincerely,

Danny Beers
